

NOTICE TO PROSPECTIVE OFFERORS UNDER THE OASIS / OASIS SB SOLICITATIONS
OCTOBER 7, 2013

In an effort to assist companies with managing resources during the Government shutdown, we are issuing this notification to share our intent regarding the proposal due date of the OASIS solicitations.

The OASIS Program Office fully intends to establish the proposal due dates 10-14 calendar days from the date that the Government shutdown is resolved. While we foresee no changes to this plan, if there are any changes, the OASIS Program Office will update Offerors here on FedBizOpps.

When the precise date is determined, the proposal due dates will be established by a final amendment to the solicitations.

Any and all questions related to the OASIS and/or OASIS SB solicitations should be sent to oasis@gsa.gov. Thank you for your cooperation and patience during this unique situation.
